CELEBRATE THE CAROUSEL'S 100TH ANNIVERSARY BECOME A SPONSOR

Listed on the **National Register of Historic Places** and recognized by the Maryland State Arts Council with the **2021 Heritage Award**, the Dentzel Carousel attracts over 50,000 riders each year.

Major restoration and repair completed in 2020 – including replacing the roof and repainting the exterior of the building – will ensure that this historic treasure will delight riders for many years.

In celebration of the Carousel's centennial, the Glen Echo Park Partnership will present special events and activities from February through September, including a recognition ceremony, virtual lecture series, social media campaigns, virtual programming for all ages, Carousel memories video project, Carousel art exhibition, and free activities on select weekends throughout the Carousel season.
