Celebrate our 40th anniversary season with us by enjoying a mix of tried and true Legacy productions (1983-2020) and brand new Premiere productions (2021 and beyond)!

What are Legacy and Premiere productions, you ask? Well, as we reimagine and expand what you see at the Puppet Co., we also want to honor where we came from. So, Legacy productions are the shows created and performed by our founders, who retired in July of 2020. You'll see the shows you know and love, like Wizard of Oz, Cinderella, and The Nutcracker, and so many more! Premiere productions are the new shows we'll be creating for you! You'll see additional puppetry styles, new stories, and hopefully see yourself in some of the characters on stage. Out of an abundance of caution given the ongoing pandemic and its twists and turns, for the foreseeable future we are requiring masks for all over the age of 2, on stage and off. For more information about how we are working to keep everyone safe, visit thepuppetco.org/faq. We hope to see you soon!
