The Sculpture Studio is dedicated to providing the community with the space, materials, tools, and skills to create sculpture and functional art. A committed group of Sculpture Studio artists work regularly at the studio designing and producing contemporary and traditional carved stonework. Introductory and advanced classes in stone carving are offered weekly by sculptor and educator Nizette Brennan. Her professional career includes successful public art commissions, solo exhibits and awards. Isamu Noguchi, her mentor, said of Nizette's work: "The growth of her art is tied to an understanding of stone. From direct cutting comes knowledge of the nature of stone, and from this knowledge, the possibilities of its meaning....."
