

GLEN ECHO PARK

Glen Echo Park Partnership for Arts and Culture

Updated Message to Our Patrons and Visitors in Response to Coronavirus Tuesday, April 21, 2020

Dear Friends of Glen Echo Park,

In accordance with the most recent orders from the State of Maryland and Montgomery County designed to protect the health and well-being of the community during the COVID-19 pandemic, the Glen Echo Park Partnership for Arts and Culture has **extended cancellations of all on-site classes and events at Glen Echo Park through at least May 15, 2020. Some events scheduled after May 15 have already been cancelled.** The Partnership office also remains closed. This action is taken in cooperation with our major partners, Montgomery County and the National Park Service.

We hope you are taking advantage of the many activities we are offering to stay connected to the Glen Echo Park community during this unprecedented time, including more than 50 online classes in visual and performing arts, virtual art projects for kids, Facebook Live events, and more. **Please visit www.glenechopark.org/stayconnected to learn about all the ways you can engage with and support Glen Echo Park.**

We will share updates with you via email, website, social media, and the Glen Echo Park hotline (301-320-2330). For previous messages and updates related to COVID-19 closure and cancellations, visit www.glenechopark.org/updates.

We wish you and your family good health, and let's continue to #StayConnectedGEP.
