Make Your Mark

FOR THE PARK

Join our community challenge to raise money for Glen Echo Park's 2026 year-end campaign!

Two teams will win a VIP experience at one of our 2027 Summer Concerts at Glen Echo Park, including free carousel rides:

- The team that raises the largest dollar amount
- The team with the largest number of unique donors

It's easy, fun, and anyone can create a team! Maybe you want to rally your neighborhood, or your pottery class wants to band together, or you'll grab friends from your favorite dances at the Park. Once you form a team, choose a captain and have the captain email **development@glenechopark.org** with your team name. We'll provide you with a unique donation QR code that you can share to raise money—then follow the leaderboard on our website to track your team's progress against other teams!

Thank you for supporting Make Your Mark for the Park and helping us raise **$150,000 by December 31**. Donations support Glen Echo Park's diverse programming, cultural events, and Park maintenance. We are grateful for your generosity!
